

You want your wedding photographs to spark the memory of your special day every time you look at them.

Rosina Photography provides full coverage of your events and provides you with a complete set of 4x6 proof prints, allowing you to preview every photo. This avoids the stress of having to choose which memories must be excluded from your coverage. While we will take lovely portraits and group shots from a preplanned shot list of the wedding party and family, most coverage will be unposed and candid. Rosina Photography's unique style of coverage will capture the emotion and excitement of your special day forever.

Rosina Photography has several packages:

Package One \$1300

This basic package begins at the wedding site and continues through the reception. It includes up to five hours of coverage. (2 locations)

Package Two \$1600

Our services begin as the bride and her bridesmaids put the final touches on their gowns and conclude when the bride tosses her bouquet. (3 locations)

Package Three \$1950

Package Three includes all the features of Package Two, but in addition, the bride and groom receive a 5x5 Milano style wedding album. (This includes pages, mats and photos)

Package Four \$3000

The ultimate in coverage and service, Package Four combines Packages Two and Three. In addition, we've added: a second photographer to cover the groom, the groomsmen and the ushers preparing for the ceremony and you will receive a wedding album of your choice after you review the proofs. We provide the custom prints and assemble the album for you. Without the album this package is \$2300.

*A 50% deposit is required when the wedding contract is signed. The balance is due one week prior to the wedding day.

*A 50% deposit is required on all reprint orders, with the balance due upon delivery of prints.

*All work will be done on 35mm color negative film. We recognize that some couples may desire medium format portraits for better quality enlargements. We provide this service for \$300 extra on any package.

*Black & white coverage is available for an additional charge of \$5 per roll.

*Our overtime charge is \$250 an hour.

*Negatives remain the property of Rosina Photography, unless we make other arrangements.
